

Benefits of Membership

Collaborative support of an association that promotes the perspective of manufacturers into the policy-making processes of government, environment, workforce development, energy, media and other activities which directly impact your business results.

Business contacts with all of the manufacturers in the Cedar Valley business area--CVMA regularly refers business opportunities to member companies, and encourages member companies to consider one another as business partners. CVMA also provides opportunities for members to meet and establish relationships with other business and professional leaders

Low-cost, high-value seminars

Opportunities to participate in CVMA Committees working in the areas of: Workforce Development, Energy, Environment, Government Affairs, Human Resources, and Membership Development
