

### **Parking Information for the Grand Tasting at Canyons Village at Park City Mountain**

The Grand Tasting will take place at beautiful Canyons Village at Park City Mountain. Free patron parking will be available at the Upper Village Lot just south of the Sundial Lodge. You will enter in through Canyons Resort Dr and continue straight past High Mountain Road where you will be directed by signage toward the newly developed lot. The lower Cabriolet parking lot will be open, but the Cabriolet will be down due to maintenance and will not be able to transfer patrons up to the Village. We will have limited shuttle service available for those who do park in the lower lot up to the Village, but we highly suggest parking at the Upper Village Lot.

### **Rideshare**

Don't worry about having to drive to or after the event! There are rideshare programs available throughout Park City that we suggest patrons utilize - Lyft and Uber.

### **Bus**

Park City/Summit County provides a free bus line throughout the town. The 07 Pink Bus line will drop off at the Grand Summit/Westgate stop every 30 minutes. You can transfer to the Pink Line at the Canyons Village Transit Hub. For more information on public transit, visit <https://www.parkcity.org/departments/transit-bus>

### **Hotel Shuttles**

Many hotels in Park City offer their guests shuttle rides in town. Inquire with your hotel.
